FOR IMMEDIATE RELEASE

DIGITAL WATCHDOG, AN INDUSTRY LEADER IN SURVEILLANCE, JOINS SES VENDOR LINE UP

St. Louis, MO – February 1, 2017 – Security Equipment Supply Inc. (SES), is excited to announce the addition of Digital Watchdog to their line card.

Digital Watchdog is the industry leader in digital recorders, surveillance cameras and related management software, delivering complete video surveillance solutions for HD over Coax and HD IP systems of any size and for any application.

Digital Watchdog has developed a solid reputation for product performance, offering the market some of the most reliable and feature-rich products and applications. They develop products with the user experience in mind, providing megapixel resolution for analog and IP enterprise surveillance systems.

Digital Watchdog is proud to be a leading force in the industry, pushing technology and ease of use. Their VMAX™ DVR User Experience pushed the market towards simple recorders with abundant local features, remote mobile functionality and data control. The groundbreaking DW Spectrum™ IPVMS software and Blackjack™ NVRs are proving that the IP experience can be intuitive and easy. Now, both analog and IP enterprise video surveillance solutions are managed in a single, simple, easy to operate VMS platform. Speak to your SES sales rep today to find out more information about this exciting new vendor!

Security Equipment Supply, Inc. (SES) has been a leading low-voltage distributor since 1982. SES started with one branch in St. Louis, and has grown into thirteen locations throughout the Central U.S. including, Detroit, Chicago, Kansas City, Memphis, Indianapolis, Wisconsin, Nashville, Louisville, Omaha, Colorado, Dallas and Austin. SES is committed to the success of its customers and their satisfaction. For more information about their locations, visit www.sesonline.com.
