

Adjustable drop length pipe available in three different sizes for perfect placement

Model	Drop Length	Max Mounting Pattern (WxH)	Load Rating
C32-18A	12"-18"	100x100mm	40lb
C32-24A	18"-24"	100x100mm	40lb
C32-48A	24"-48"	100x100mm	40lb

■ **VESA Compatible**

Compatible with VESA 75x75mm and 100x100mm.

■ **Installation Surfaces**

Makes a secure installation quick and easy, simply hang the screen and turn the pre-assembled securing screw to lock in place.

■ **Tilt**

Smooth functioning tilt mechanism allows 15° of adjustment without the need to continuously readjust a tension knob or screw.

■ **Height Adjustment**

1" incremental drop length adjustment.

■ **Clean Look**

Through-column cable routing for an uncluttered look.

■ **Construction**

Fabricated from high-grade aluminum and cold rolled steel with durable epoxy powder coat finish. Includes a complete array of high-grade fasteners, in a pre-sorted hardware pack for easy selection.
