Quick and secure "hook and click" installation

Built-in kickstand allows easy access to wiring

Installation

Quick and easy snap-in installation and removal. Kickstand for easy cable routing and lateral shift for easy positioning. Places screen only 0.39" from the wall and includes 0.75" spacers for installations where extra depth is required for wiring or ventilation purposes.

Installation Surfaces

Installs to two or three wood stud structures, depending on model. Also mounts to structural concrete and cinder block surfaces. For metal stud installation, use Crimson HT toggle bolt hardware.

Excellent Value

Economical and effective solution for light or heavy side ventilated displays.

VESA Compatible Universal Design

Series covers all VESA patterns to 800x600mm. Maximum universal mounting pattern 862x652mm.

Construction

Fabricated from high-grade cold rolled steel with durable epoxy powder coat finish. Includes a complete array of high-grade fasteners, in a pre-sorted hardware pack for easy selection. UL Listed.

Model	TV Sizes	Max Mounting Pattern (WxH)	Load Rating
