WIRE/CABLE CUTTERS & WIRE TIE TOOL

QUEST offers a series of wire strippers that provide accurate strips for wires ranging from 10 AWG to 30 AWG. These strippers are quality built and feature highcarbon steel finished with black oxide to prevent rust. Also the TMI-1021 and TMI-1020 features a convenient table printed on the handle to convert AWG to millimeters. Also offered are an automatic multi-gauge wire stripper and terminal crimper.
